WORSE EVERY YEAR.

Plenty Of Barre Readers Have The Same Experience.

Don't neglect an aching back. It will get worse every year. Backache is really kidney ache. To cure the back you must cure the kidneys.

If you don't other kidney ills follow—Urinary troubles, diabetes, Bright's disease.

A Barre citizen tells you how the cure is easy.

Norman York of 14 South Main Street, says: "When living at 3 Pearl Street in the Winter of 1897, a gentleman called upon me and asked my opinion of Doan's Kidney Pills and to allow him to have the same published in our Barre papers. I consented and told him for five or six years I had been annoyed with my kidneys, caused, I thought, by a strain. There was no doubt about the pain, but when there was added to it annoyance from the kidney secretions I was positive some disturbed action of the kidneys existed. If I stopped to lift it was with the greatest difficulty I could regain an erect position. Well, in spite of that, a continuation of the treatment of Doan's Kidney Pills, procured at E. A. Drown's drug store, stopped the attack. Since then I have never lost an opportunity of recommending the preparation to friends and acquaintances and I know of a great many who have taken a course of the treatment, obtaining positive benefits."

Sold by all dealers. Price 50 cents per box. Foster-Milburn Co., Buffalo, N. Y., sole agents for the United States. Remember the name—Doan's—and take no substitute.

180% PAID TO INVESTORS.

The Peacock Valley Mining Company has paid its stockholders 180 per cent in dividends and is now paying out of earnings 20 per cent monthly. The Fitzer Land & Mining Company, organized in January, 1905, with \$30,000 capital stock has earned to date over 16 per cent. The Sclon Zinc Mining Company—a new property in which stock is now being offered to the amount of \$25,000—is more promising than either of the above companies were. Stock is offered at par, \$10.00 per share to investors.

A prospectus will be mailed upon application. If you have money to invest, it is worth your while to consider a zinc investment when the company is capitalized upon a conservative basis and under good management. Write or call.
